

Greek Potter Painting

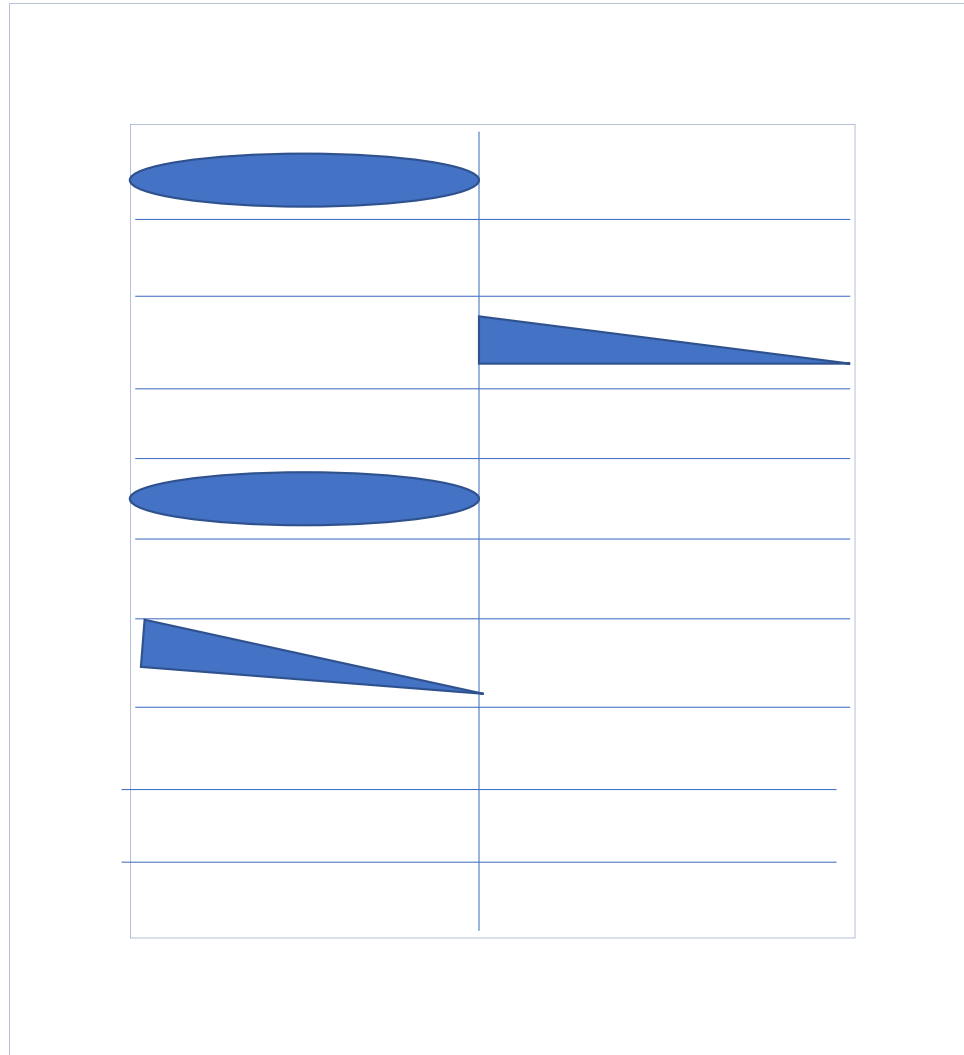

ART 1303

On the canvas:

- The canvas will be in a GRID – 20 squares
- Each student will choose a designated square to paint inside
- Paint your enlarged design in your chosen square
- Use the entire square – your design should touch or reach all four sides of your designated space
- Be neat! Try not to invade the square spaces next to your square
- The students who choose to paint first must choose squares in the center of the painting!
- Then as those students finish the next squares will begin working outward to prevent smearing or sitting on top of wet paint!

THE CANVAS

- Designs should fill the entire space you are choose.
- No text or writing or signatures please.
- All shapes, painted marks,, and forms are fine!
